Ali Kulu
founder

Since 1933, Hasan Kulu Forest Products has been an innovative company that has continually developed and grown, adding new experiences to its business life. With the philosophy of "Quality product, Satisfied customer," it solidifies its leading position day by day.

In 2017, Hasan Kulu Forest Products invested in a new production area of 70,000 m², of which 20,000 m² is covered, increasing its annual sawmill capacity to 70,000 m³. Along with this significant investment, Hasan Kulu Forest Products expanded its professional, administrative, and production staff, continuing to serve with a total of 250 employees.

Adopting the principle of continuous improvement to meet the needs of its customers with quality products, our company invests in its machinery park every year. Hasan Kulu Forest Products meticulously processes forest products, which are indispensable for the construction sector, with the latest technology machines and a professional team, making them suitable for use. The company is positioned to carry its outstanding success in Turkey to the world, embracing the mission of representing our country in the best way possible.
